District Manager Report October 8, 2024 Submitted by: Eric Dreikosen, District Manager

The information below is intended to provide a brief update on select District initiatives, activities and items of note and should not be viewed as a complete list of all current District activities or initiatives.

Fire Station Bunk Room Conversion Project:

As of the time of this writing, we are still awaiting response from the County in regards to our submitted plan review permit application. Inquiries were sent to the County Building Department on October 3, 2024 as to the status of permit issuance and cause for delay.

Payroll Conversion:

As previously informed, our long-time payroll provider, Accuchex, announced they were closing their business. Since that time, we reviewed and met with multiple providers and ultimately selected ADP as our new payroll provider. This was partially due to Accuchex selecting ADP as their preferred partner and established transition teams within both companies for the specific purpose of ensuring as smooth a transition for their clients as possible.

I'd like to acknowledge our Accounting & Payroll Manager, Tiffany Combrink, for all of her time and efforts put forth in regards to this transition. This has been a large undertaking and she has managed it as well as can be, especially given our limited resources, while also maintaining her other work duties.

Our first "live" pay date utilizing ADP occurred on October 4, 2024. As can be assumed with a transition of this nature, it was not without a few challenges along the way, some still outstanding but nothing that can't be resolved.

In the coming weeks we will begin to transition to ADP's "Time & Attendance" system to record hours worked for all employees. This will require training for our staff including additional training for management level staff who will be responsible for approving timesheets of their direct reports and hourly employees.

The final stage of the transition will involve implementation of their corresponding work scheduling system for our hourly recreation staff (preschool, after school, pool, camps). This too will require additional training for our management staff.

Other Items of Note:

- Special taxes have been finalized with the County Tax Collector for both of Marinwood's special assessments impacting the Park Department and Fire Department tax revenue.
- The County Planning Department will be hosting an Open House for the proposed Marinwood Plaza Affordable Housing Development. The Open House will occur on October 15th from 5:30 7{30 PM at the Marin Wildfire Prevention Authority Conference Room (1600 Los Gamos Dr, Rm 335). Housing matters are not within the CSD's subject matter jurisdiction and this is being shared for informational purposes only.

Several other items of note that staff have been working on during the past month are included as separate agenda items. These will be presented and discussed at those times.

Re:	Fire Protection Agreements for CSA 13 and Juvenile Hall Site

Directors,

Please see the included annual Agreements for Fire Protection and Emergency Services between the Marinwood Community Services District and the County of Marin for both CSA 13 and the juvenile hall site and surrounding facilities located on Jeanette Prandi Way in Lucas Valley.

The annual agreement fees for service are calculated using complex and long-standing formulas involving square footage of residences and other structures, current year fire department budgeted expenditures and prior year reconciliation of budgeted versus actual expenditures.

For the CSA 13 agreement, total fees for service have increased by approximately 2.5% from the prior fiscal year, FY 23-24.

For the juvenile hall site agreement, total fees for service have increased by approximately 3.5% from the prior fiscal year, FY 23-24.

Both Agreements have been provided to the County Administrator's Office for their review and are anticipated to be presented to the County Board of Supervisors for formal approval at an upcoming meeting.

<u>Staff Recommendation</u>: Approve both Agreements for Fire Protection and Emergency Services for CSA 13 and the Juvenile Hall Site and surrounding facilities (separate action for each Agreement).

MARINWOOD COMMUNITY SERVICES DISTRICT

AGREEMENT BETWEEN THE COUNTY OF MARIN AND MARINWOOD COMMUNITY SERVICES DISTRICT FOR FIRE PROTECTION AND EMERGENCY SERVICES TO COUNTY SERVICE AREA 13

THIS AGREEMENT, made and entered into this _____ day of ______, 2024, by and between the MARINWOOD COMMUNITY SERVICES DISTRICT, hereinafter referred to as "District," and the COUNTY OF MARIN, acting on behalf of County Service Area No. 13, hereinafter referred to as "Service Area:"

WITNESSETH

For and in consideration of the mutual promises and covenants hereinafter contained, the parties hereto do hereby agree as follows:

1. This agreement shall be for Fiscal Year 2024-2025 (July 1, 2024 through June 30, 2025)

2. District agrees to provide the residents and property owners of Service Area with fire protection and emergency services in the Service Area for the above-referenced period. Such fire protection and emergency services will be provided on the same basis as it is provided to the residents and property owners of the District.

3. In consideration of the provisions of such fire protection and emergency services, Service Area agrees to pay District the sum of \$753,096.00, as calculated on Exhibit A, payable in installments as follows:

January 31, 2025	\$ 376,548.00
April 30, 2025	\$ 188,274.00
June 30, 2025	\$ 188,274.00

4. In the event the cost of providing such service by District to Service Area exceeds the aforesaid sum of \$753,096.00, the amount to be charged Service Area in the following fiscal year shall be increased by a sum equal to Service Area's pro-rata share of the excess, as said share is calculated in Exhibit A. In the event the cost of providing service by District to Service Area is less than the aforesaid sum, the amount

to be charged Service Area in the following year shall be decreased by Service Area's pro-rata share of said surplus.

5. The District agrees as part of its ongoing annual contract with Service Area that it will not

charge CSA 13 for litigation costs and damages incurred by the District.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year above written.

AGREEMENT BETWEEN THE COUNTY OF MARIN AND MARINWOOD COMMUNITY SERVICES DISTRICT FOR FIRE PROTECTION AND EMERGENCY RESPONSE SERVICES FOR THE JUVENILE HALL SITE

THIS AGREEMENT, made and entered into this ____ day of _____, 2024, by and between the COUNTY OF MARIN, hereinafter referred to as "County" and the MARINWOOD COMMUNITY SERVICES DISTRICT, hereinafter referred to as "District":

WITNESSETH

For and in consideration of the mutual promises and covenants hereinafter contained, the parties hereto do hereby agree as follows:

1. This Agreement shall be for Fiscal Year 2024-2025.

2. District agrees to provide the residents and property owners of the area known as "Juvenile Hall Site", hereinafter "Site", with fire protection and emergency response services for FY 2024-2025. Said services will be provided on the same basis as it is provided for the residents and property owners of District.

3. In consideration of the provisions of said structural fire protection, County agrees to pay District the sum of \$115,984.00, as calculated on Exhibit A. Said payment shall be due and payable on or before January 31, 2025.

4. The basic charge shall be .5435 cents per square foot, plus the fire square footage charge assessed in District for the current fiscal year, .4060 cents per square foot. The total square footage charge is applied to the total square footage of all structures on the Site, formerly called the County Farm, including the Rotary Club Senior Housing, County offices, Juvenile Hall, and County schools. Billing for the structures used by Marin County Schools shall be sent to the Marin County Office of Education; billing for all other County structures and Rotary Club Housing shall be sent to the County Auditor or their designee.

IN WITNESS WHEREOF the parties hereto have executed this Agreement on the day and year above written.

Directors,

This is an informational item for discussion only. There is no formal action of the Board to be taken at this time.

Background:

Marinwood Community Services District and the City of San Rafael have a long history of partnership in providing fire protection and emergency response services to our respective communities. Formal agreements include but are not limited to provisions for shared staffing opportunities, ambulance services and most recently chief officer services.

The two agencies have long discussed potential for complete consolidation of the Marinwood Fire Department into the City of San Rafael Fire Department. Approximately five years ago both agencies engaged in an exploratory process facilitated by LAFCo to identify the potential legal avenues and obstacles of such a consolidation.

Through the LAFCo process, it was determined that as a municipality the City of San Rafael does not have the jurisdiction to assume legal responsibility for fire protection beyond their city limits. This process did however result in three possible options allowing for further consolidation:

- 1. Both agencies could dissolve their responsibility for fire protection and form an independent special district, specifically a Fire Protection District, to be responsible for providing fire protection to our combined service areas. The newly formed District would be completely independent of both agencies and governed by their own elected Board of Directors.
- 2. Marinwood CSD could dissolve their responsibility for fire protection and the City of San Rafael form a dependent special district specific to fire protection. The boundary could then be expanded to serve the Marinwood-Lucas Valley area allowing the dependent special district of San Rafael to assume the legal responsibility for fire protection of the combined service area. As a dependent special district under the City of San Rafael, the San Rafael City Council would serve as the governing body for the newly formed dependent special district.
- 3. Marinwood CSD could engage in a contract for service with the City of San Rafael to provide fire protection to the Marinwood CSD service area. Marinwood CSD would remain the agency legally responsible for fire protection but would essentially be staffed by San Rafael fire personnel.

The City of San Rafael indicated they were not inclined to pursue either of the first two options, understandably. While there was some discussion regarding the exploration of the third option, a potential contract for service, such discussions nor a proposal materialized.

Current Status:

Staff from both agencies have recently re-engaged informal conversations regarding the potential of a contract for service between our two agencies. In doing so, San Rafael city management expressed two initial concerns:

- 1. Assurances that the City of San Rafael would not inherit the Unfunded Accrued Liabilities (UAL) of the current Marinwood CSD safety pension obligations.
- Upon further exploration, should a contract for service be deemed plausible and practical by both agencies, a condition of such a contract would be for Marinwood CSD to place a measure on the ballot allowing for an increase to the current special assessment for paramedic services (Paramedic Tax).

Regarding the UAL concerns, staff are in process of confirming what is believed that with a contract for service the City of San Rafael would not inherit Marinwood's unfunded accrued safety pension liabilities.

Regarding any potential increase to the Paramedic Tax, as stated earlier this would ultimately be a matter for the voters to decide during an election. However, as the legal authority for fire protection and emergency response services to Marinwood-Lucas Valley, it is the responsibility of the Marinwood CSD Board of Directors to place such a measure on the ballot. Special tax measures require a two-thirds (66.67%) approval vote to succeed.

For context, Marinwood CSD property owners are currently assessed an annual Paramedic Tax in the amount of \$85, the maximum amount currently allowable as approved by the voters in November 2006 (Measure M). A similar ballot measure (Measure Q) allowing for a further increase of the Paramedic Tax was placed on the ballot in November 2010 but was not approved by the voters. No other ballot measures addressing the Paramedic Tax have been placed on the ballot since that time.

While this amount has remained unchanged for the past 18 years, the costs of providing paramedic services have increased significantly.

Next Steps:

Again, there is no formal action to be taken at this time. However, the City of San Rafael are seeking informal assurances from Marinwood CSD that the District would indeed be willing to place a measure on the ballot asking Marinwood-Lucas Valley voters to increase the Paramedic Tax should an eventual contract for service of fire protection materialize.

If and when the provisions and associated costs of a potential contract for service are tentatively agreed upon by both parties, such an Agreement would be presented to the Board of Directors during a public meeting for the Board's consideration and potential approval as well as the San Rafael City Council.

Similarly, any ballot measures addressing the Paramedic Tax would also be presented to the Marinwood Board of Directors during a public meeting for formal approval prior to filing with the County Election Department.

RECREATION ACTIVITY REPORT

Fall Art Show

The Recreation Department hosted our annual fall art show on Saturday, September 21st from 3-7pm. The show featured over 50 local artists who submitted pieces on the theme "creative combinations," and was juried by Libby Garrison, Art Curator for Marin Cultural Services District. I want to thank Susan Press for curating another terrific and well-received show. It was our most well-attended show since the event's inception, and we are pleased with the growing audience the Art Show has garnered.

Halloween Harvest Festival

Our annual Halloween Harvest Festival takes place Friday, October 11th from 5-6:30pm in Marinwood Park. This year's event will feature carnival games, bounce houses, a pumpkin patch, a photo station, spooky music, refreshments, and food truck, and lots of treats. The Lions Club will once again be donating the pumpkins and manning the pumpkin patch. We are looking forward to seeing everyone in costume.

Final Weeks of the Pool Season

The pool will close for the season on Friday, October 4th. The final two weeks have been unprecedentedly busy due to unusually hot weather. The lap lanes have been maxed out with 2-3 swimmers in every lane during adult lap swim hours, while recreation swim has seen an influx of brand-new patrons seeking refuge from the hot weather. While the pool has been well-staffed for the normal fall attendance, the full-time staff has stepped in on several days to make sure we have adequate coverage for the unusually large late-season crowds. It has been an exciting note to end the season on.

Pickleball Pilot Program

In the coming days staff will be commencing a pickleball pilot program on Marinwood Tennis Court #4 (the one closest to Miller Creek Middle School). Temporary lines for two pickleball courts will be laid down on the court, one on either side of the net, in the same direction of play as tennis. Mobile pickleball nets for use on the courts will be placed along the fence for public use. Signage will be placed at both sets of tennis courts announcing the pilot program, which will also be promoted online. During the program we will be soliciting feedback and have set up a special email address for receiving pickleball comments.

PARKS MAINTENANCE ACTIVITY REPORT

Lead Maintenance Worker Position

On September 29th the Marinwood Parks Maintenance Department was restructured, with one of the three "Maintenance Worker II" positions changing to "Lead Maintenance Worker." Longtime Parks Maintenance staff member Estevan Chavez has been promoted to the new position and the transition is going smoothly. This new position was created in part to provide more consistent direction and communication for the Parks Maintenance Staff, as well as to assist the Recreation Director with planning, training, and other administrative responsibilities. I am thrilled to have Estevan working in this capacity and am looking forward to working with him to improve the organization, efficiency, and overall performance of Marinwood's Parks Maintenance Department.

Post-Summer Turf Rehabilitation

The Parks staff has begun the annual post-summer turf rehabilitation treatment, which will include aerating, leveling out low spots, seeding, fertilizing, and top-dressing the grass in both parks and at the pool.

Other work completed this past month included significant pruning and trimming in all three parks, replacing the aging drip systems behind the community center, repairing drinking fountains, and replacing worn tennis nets.
