Why “Casa” Bartolacelli? Hint : It’s not just a nod to a small town in Italy!

Happy 2025! I’m officially a toddler mom—and I have never appreciated the physical and symbolic meaning of the word “home” as I do in this season of life. It’s all encompassing. It’s so much more than where we cook our dinners and lay our heads to sleep. It’s that space between four walls you can pour your heart and soul into. It’s fundamental to our physical sense of self, the backdrop to life’s best milestones. It locks memories into creaky floors, filtered shadows, smooth edges, warm smells, and colored tiles. It’s artistic intention and aesthetic, unique to you (and maybe some inherited from the previous dweller!).

Home can be a legacy, a deep sense of security, and it can symbolize a transition or a new beginning... It’s everything in-between!

Knowing all that it takes to buy, and maintain, a home, I see the precious role “home” plays for so many people. It’s a privilege to be invited into someone else’s home. I have deep respect for homeowners and honor the trust and camaradery that evolves from each real estate listing or sale. Empowering my clients with the proper tools and knowledge, and then seeing them reap the benefits of a positive outcome, will always be my biggest joy.

Many years ago, my family had the opportunity to visit a teeny, tiny hamlet in the Serramazzone region of Modena, Italy. We knocked on doors and were immediately invited in for dinner with newfound family. The town is called Casa Bartolacelli.

SOUL DUSTING

Greetings, folks, and welcome to the Marinwood Review, the hip new 'zine all the youths are raving about. Yessiree, they're hiding copies in their math books and sneaking peeks during class. They're cutting out their favorite pages to hang in their lockers. They're gushing over them with their friends down at the soda fountain. Count yourself lucky you found a copy before they sold out! But before you wisely seal your collectible prized copy in a dust-proof plastic sleeve for posterity, be sure to thumb through the following pages to see just what all is happening in Marinwood this season. We have something for everyone (not just the youths!), including summer camps, swimming pool activities, fitness classes, community events, and the Arts.

The Arts in particular have gained much momentum in Marinwood in recent years, under the guidance of longtime Marinwood Art Director Susan Press. Our community center currently hosts a semi-annual juried Art Show featuring talented artists from around the Bay and many of the top artists in Marin (see page...). The Art Show has steadily grown in prestige and popularity each year and consistently brings a large crowd of art lovers from far and wide.

In addition to the Art Show, we have also worked with Susan to convert our lobby into a year-round mini art gallery, showcasing beautiful artwork by a different local artist every 6 weeks or so. This addition of art to the community center, besides drastically improving the overall aesthetic of the building, has had numerous positive impacts, including instilling a deeper appreciation of art in the center's visitors and staff (many of whom have since started collecting art), as well as fostering new partnerships and programs.

One such lobby artist, Michael Friedland, got to know our staff while showcasing his work and we were able to convince him to start teaching a watercolor class for the community (see page ...), which has been a huge hit.

It's been a blessing to be surrounded by beautiful artwork and talented artists like Susan and Michael and the countless others whose work has graced our walls. As Picasso said, "Art washes away from the soul the dust of everyday life." I encourage you to stop by our next Art Show, or at least our lobby gallery, and wash a little dust off.

WATERCOLOR WORKSHOP

Ages Adults 15+

In this one-day workshop, you will spend the morning learning all about the fundamentals of painting with watercolor. Transparent watercolor is different from all other media and as such has some quite different aspects about how it is used. We'll cover the materials used with watercolor, the ways that we apply watercolor to (its very particular) paper, color theory and color mixing, what a classic palette of colors is. We'll discuss the importance of drawing (and drawing directly with the brush) as well as values and design/composition. We'll stop for a half hour lunch break (bring your lunch), during which we'll discuss the incredible history of watercolor painting in California. In the afternoon, we'll work together step by step to make a watercolor painting.

Each student should come to class with one sheet of Arches 140lb. Cold Press watercolor paper (approx. \$10). Paints, palettes and brushes will be available.

Students will leave this workshop with a good grounding in how to work with this wonderful medium and a painting of their own!

If a desired camp session is full, you will see an option to add your child to the waiting list (at no cost). We will contact you if a spot becomes available and you will have until 10:00am the next business day to claim your spot. If we don't hear from you in time, we will remove you from the waitlist and contact the next person.

To expedite the waitlist process, in early May we will purge the waitlist of all those no longer interested. We will email you at that time asking you to confirm your continued interest in remaining on the waitlist. Anyone who asks to be removed or fails to respond will be removed and everyone else will move up, respectively.

On June 4th the waitlist will be discontinued altogether and any camp openings thereafter can be registered for online on a first come, first served basis. Anyone looking for camp spots after June 4th will be able to browse the registration site for available camp sessions.

Can I drop in for a day of camp?

No, Marinwood will not be accepting drop-in registrations. Campers must be registered for the full session.

What is your refund policy? How do I make camp changes?

All refund and change requests must be made in writing and can be emailed to csd@marinwood.org. We will not process refunds or changes over the phone. Cancellations made more than 6 business days (10 full days) prior to the beginning of the camp session will result in a \$35 per session per camper fee. Cancellations made less than 6 business days prior to the beginning of the camp session will result in the forfeiture of half the camp session fee per camper. No refunds will be granted after 5:00pm the Friday before the camp session begins. All camp change requests must be made in writing and are subject to a \$10 handling fee. Marinwood does not prorate camp sessions. If only cancelling Before Care, After Care, or both, cancellation fee is \$5, \$8, or \$12/week respectively.

Interested in sponsoring a fellow camp family?

Please consider donating to our scholarship fund to help send a child to camp. Donate online or at the Community Center.

Do you offer camp scholarships or financial aid?

A limited number of partial scholarships are available based on financial need. All requests are kept strictly confidential. An application can be downloaded from our website at www.marinwood.org. Only complete applications will be reviewed. Please email csd@marinwood.org for more information.

If my child is enrolled in a half-day specialty camp, can they join a day camp for the second half of the day?

Yes, this is an option for specialty camps located at Miller Creek Middle School that run from 9:00-12:00pm and if the Marinwood day camp has space or you are already enrolled in a Marinwood camp. The camper may attend Marinwood's camp from 12:00-3:00pm for the week of the specialty camp for a prorated amount. Camp staff will escort the camper to Marinwood's camp at noon. Campers must be enrolled in both Marinwood's camp and the specialty camp first, then email csd@marinwood.org for the prorated refund. The half day Marinwood camp fee will be \$213 for residents and \$240 for non-residents for the session.

Where and when can I pick up my camper's t-shirts?

Camp shirts will be available for pickup starting in May at the Community Center during business hours (Monday-Friday, 9am-5pm). For safety, campers are required to wear a Marinwood camp t-shirt daily. Campers will receive 2 shirts per summer with the option of purchasing additional camp shirts for \$10. Pick up camp shirts at the Marinwood Community Center. ***Marinwood highly recommends picking up camp shirts before the first day of camp.***

What should my camper bring with them every day?

Campers should come wearing appropriate camp attire. A Marinwood camp shirt and closed toe shoes are mandatory. Campers should bring a labeled backpack containing a snack, lunch, water bottle, swimsuit, towel, and sunscreen. Please try and limit camper's belongings to one backpack/bag. Younger campers should bring an extra set of clothes.

Are there any other requirements for campers to attend?

All campers must be potty trained. Parents/guardians will be required to fill out an online camper information and consent form from the ePACT network before attending. All participants (3rd grade and younger) must be accompanied by a parent/guardian at check-in each day at the community center. Campers are not allowed to attend if ill.

How does check-in and check-out work?

All participants (3rd grade and younger) must be accompanied by a parent/guardian at check-in each day at the community center. Campers are not allowed to attend if ill. For more information, please read the Camp Parent Packet.

Check-in:

Campers must be checked in with their Camp Director. Check-in will take place from 9:00-9:20am.

*Campers may be checked in after this time but it is a parent's responsibility to locate the camp to drop them off.

Check-out:

Campers must be checked out with camp staff before leaving. Check-out will take place from 2:50-3:05pm. If your camper is not picked up by 3:05pm, they will be sent to After Care and you will be charged a late drop-in After Care fee of \$25.

Do you offer Before and/or After Care?

Yes, Before Care runs from 8:00-9:00am and After Care from 3:00-5:00pm for additional fees. Please see our Before and After Care page for more information.

Can my child take swim lessons during the camp day?

Yes, you may enroll in group or private lessons during the camp day for an additional fee. Camp staff will escort campers to lessons that take place between 10:45am and 2:25pm. **Parents are responsible for escorting campers to any swim lessons scheduled at 2:30pm or 3:00pm — no exceptions.** Please visit swim lesson page for additional information.

How does swimming work at camp?

Parents must give permission for their camper to swim in the Marinwood main and tot pools. Camps Pine Cone and Miwok swim only in the tot pool. Camps Willow, Buckeye, Bumblebee, and Acorn have the option of tot pool or main pool. All other camps exclusively use the main pool. Campers must pass a swim test (uninterrupted swim of 25 yards) to be able to swim in the deep end and go down the water slides. Campers may be asked to retake the swim test for camp, even if they have previously passed in another setting.

Can I order lunch for my child?

Yes. Marinwood CSD has partnered with BOONLI to provide online lunch ordering. All lunches are provided by our local Marinwood Market. You can choose how many days a week you want lunch provided. **Orders must be submitted by 10:00am the Friday before the session begins.** Online ordering will be available closer to summer through the Marinwood website. No late orders will be accepted. Please pack a morning snack, as lunch will not arrive until noon.

What if my child has a food allergy?

Our number one priority is the safety of your child. Camp staff take precautions and preventative measures to ensure the safety of all campers. We practice a no share snack and lunch policy, where we talk with our campers about keeping our food to ourselves, educate our staff about monitoring during snack and lunch time and campers will wash hands after meals.

Please indicate any allergies or medical conditions on your camper's ePACT online form so we can be aware of how to best support and provide for your child.

Don't forget about Hot Dog Fridays!

Take the hassle out of making lunch at the end of the week with Marinwood's \$6 Hot Dog Meal. Marinwood will be grilling up all natural, nitrate free hot dogs on the barbecue every Friday. Hot Dog Meals include a hot dog, organic juice, and all-natural chips. A vegetarian hot dog or gluten free bun option is also available. To purchase, please bring exact change and give to the Camp Director on Friday morning. Don't forget to send snack with your camper on Fridays. We will be offering Friday Hot Dog Days all summer.

For more information regarding Marinwood summer camps, please review the Camp Parent Packet on our website under the camp section.

Session 4: July 7-11

Under the Big Top

The infamous Camp Carnival is back and better than ever! Throughout the week campers will transform into carnival performers—learning how to juggle, how to beat the house at ring toss, how to get the biggest laugh with a joke, etc.—and showing off their skills under the “big top” on Thursday. This week will be full of games, prizes, challenges, plenty of clowning around, and non-stop entertainment.

It's a week of creativity, courage, and camaraderie, where everyone can be a hero!

Session 7: July 28-August 1

Time Travel Treasure Hunters

Embark on an exhilarating adventure across time and space! Campers will transform into daring treasure hunters, journeying to the past, present, and future to uncover hidden artifacts, solve ancient mysteries, and unlock the secrets of history. Along the way, they'll engage in exciting challenges, creative projects, and teamwork, discovering the thrill of exploration and the power of imagination. From dinosaur digs to futuristic quests, every moment is an unforgettable leap through time!

Session 8: August 4-8

Nature Unleashed

Explore the great outdoors, hike on scenic trails, go bug catching in the creek! Here, it is not just the wildlife that are the wild things. We can't wait to explore all the habitats and wildlife we have on site. Older camps will hike the open space and younger camps will have the chance to find and identify animal tracks! Look out for BigFoot in the Enchanted Forest! Get ready to celebrate what Mother Nature is up to in our own wonderful backyard!

PINE CONE ▪ MIWOK ▪ WILLOW ▪ BUCKEYE

We can't wait to introduce our youngest campers to all the wonder and excitement of Marinwood. We take great care to make sure each camper feels safe, welcomed, and included as our nurturing staff guide them through the ins and outs of camp and prepare them for the fun-filled days ahead. Staff-to-camper ratios are low for these camps (at least 1:6) and our counselors take extra care to ensure all campers remain hydrated, comfortable, and ready for everything in store for them. Each week will include playtime, games, art & music exploration, story time, water play, and endless opportunities to build friendships with fellow campers and counselors. Each week will feature a mix of fresh and recurring age-appropriate activities based around the weekly theme, culminating in an exciting special event each Friday. Whether playing with the parachute, splashing at the pool, along for the storybook walk, or reciting a favorite camp song, these young campers will be well on their way to developing friendships, memories, and a deep love for the camp life.
